The MBA Advantage

As opportunities grow and markets expand, the need for highly qualified and capable manpower in various management cadres keeps growing.

If you're looking at a rewarding corporate career, an MBA degree from a top B-School is the sure-shot ticket to one.

Give your career a headstart. Target a Top B-School. Get ahead of others.

- **Faster growth** and a rewarding career path
- **High-paying jobs** and a proven gateway for international placements
- **An enormous world of opportunities** for students from streams which have limited options and salaries
- **A 'Start-up' booster** for aspiring entrepreneurs looking to seed the next 'Unicorn'

An MBA from a top B-School will result in

Faster Career Growth: Executives often realize, after working for a couple of years, that an MBA degree is a must-have for faster growth. Chances of those with an MBA being fast-tracked for promotions are very high.

High-paying Jobs: Those fresh out of college get a jump-start to their dream career, get access to high-paying jobs and enjoy increased levels of job satisfaction. The icing on the cake, for many, is the much sought-after international placements with iconic MNCs.

World of Opportunities: For students hailing from academic backgrounds that don't guarantee good job prospects or salaries, an MBA degree could make all the difference by opening up a world of opportunities.

'Start-up' Booster: Aspiring entrepreneurs find that credibility, financial backing, networking and ideation come easier with an MBA. An MBA from an Ivy League school also serves as an excellent launch pad for their ideas, as well as a fall-back option.

B-School selection process - What do they test?

The selection process generally consists of two stages:

1) Computer-based Examination of about 1-3 hours.

Multiple choice and Fill in the blank questions, often with negative marking.

Areas tested: Verbal Ability, Reading Comprehension, Logical Reasoning, Quantitative Ability, Data Interpretation, General Knowledge and Current Affairs (GK is tested in exams like XAT, IIFT, TISSNET, CMAT, etc. CAT does not test aspirants on GK).

2) Group Discussion (GD), Written Ability Test (WAT) and Personal Interview (PI).

Most B-Schools shortlist applicants based on their performance in the written test. Selected candidates will then face the Group Discussion/Written Ability Test and Personal Interview rounds. Some B-Schools also use other activities like Group Tasks, Case Studies, Extempore and Group Interviews to assess subject knowledge, communication skills, managerial skills and to check confidence levels and attitude of the applicants.

How do you get into India's Top B-Schools?

Admission into **over 140** management institutes, apart from the IIMs, is based on the Common Admission Test (CAT) conducted by the IIMs. This includes majority of the top 100 B-Schools of India.

This makes CAT the 'Holy Grail' for every MBA aspirant.

The best route to an Ivy League School

- Most top-notch institutes shortlist candidates based on CAT scores
- Some also conduct their own admission tests, like XAT, SNAP, IIFT, MICAT, TISSNET, etc.

B-Schools may use the scores of more than one entrance test to short-list candidates. Some of the major entrance tests are:

Common Admission Test (CAT): This is conducted by the IIMs. Prominent B-Schools that accept the CAT score include the 20 IIMs, FMS Delhi, MDI Gurgaon, SPJIMR Mumbai, National Institute of Industrial Engineering (NITIE) Mumbai, Schools of Management (SoMs) at various IITs viz., Delhi, Bombay, Chennai, Kharagpur, Kanpur, Roorkee, Dhanbad and Jodhpur, MICA Ahmedabad, IMT Ghaziabad, etc.

Xavier Aptitude Test (XAT): Conducted by XLRI Jamshedpur & Delhi. Apart from XLRI, other top B-Schools such as Xavier University Bhubaneswar, Goa Institute of Management (GIM), IMT Ghaziabad, MICA Ahmedabad, etc. also accept the XAT score.

Symbiosis National Aptitude Test (SNAP): Conducted by Symbiosis International University (deemed to be) and accepted by the B-Schools affiliated to it including Symbiosis Institute of Business Management (SIBM) Pune, Symbiosis Centre of Management & Human Resources Development (SCMHRD) Pune, Symbiosis Institute of International Business (SIIB), Symbiosis Institute of Business Management (SIBM) Bengaluru, etc.

NMAT by GMAC: The scores of NMAT, conducted by GMAC, are accepted by NMIMS Mumbai / Hyderabad / Bangalore / Navi Mumbai / Indore, XUB, IBS, etc. NMAT will be conducted in the Computer Adaptive Test (CAT) format in a window of about three months.

Common Management Admission Test (CMAT): Conducted by National Testing Agency (NTA). The score is accepted by a large number of B-Schools across the country.

Management Aptitude Test (MAT): Conducted by All-India Management Association (AIMA). A large number of B-Schools across the country accept this test score.

- Some B-Schools conduct their own tests. E.g., TISSNET for Tata Institute of Social Sciences, IBSAT for ICFAI Group of Business Schools etc.

Frequently asked questions

Why? How? Where? When?

- **Salary:** An MBA from a top B-School could help you earn Rs. 30 LPA to over 1 CPA
- **Eligibility:** Bachelor's degree or those appearing for final year of bachelor's degree

Facing the CAT:

Q. Can you tell me more about the duration of CAT 2022 and of the various sections in it?

A. The total duration of **CAT 2022** was two hours. There were three sections and each section had a sectional time limit of 40 minutes each. Following were the three sections:

Section - 1: Verbal Ability & Reading Comprehension (VARC) - 24 Questions

Section - 2: Data Interpretation & Logical Reasoning (DILR) - 20 Questions

Section - 3: Quantitative Ability (QA) - 22 Questions

Q. Will CAT 2023 pattern remain the same as that of CAT 2022?

A. CAT is known to throw surprises in terms of level of difficulty and its structure. The pattern of the exam may change from year to year. The CAT 2019 pattern had been in use without any changes since 2016. The number of questions and the sectional time limit was reduced in CAT 2020 considering the pandemic.

There was a further reduction of questions in CAT 2021, though the duration of the exam remained the same as CAT 2020. CAT 2022 had the same number of questions as CAT 2021 did and with the same time limit. We will get better clarity on the pattern of CAT 23 once the CAT notification is released in July-Aug 2023.

Q. What are the eligibility criteria for CAT?

A. Following were the criteria released for CAT 2022:

- Bachelor's Degree, with at least 50% marks or equivalent CGPA [45% in case of candidates belonging to SC, ST, PWD categories]
- Candidates appearing for the final year of Bachelor's Degree/ equivalent qualification examination and those who completed degree requirements and are awaiting results could also apply.

Q. What criteria should you seek to find a trusted and effective CAT training institute?

A. We encourage you to dig deep into the claims of the organisations that you are considering. Newspapers are full of tall, often misleading claims and inflated admission numbers achieved. We advise students to ask questions, find out the details and really know an institution's reputation.

Q. You say that 2752 T.I.M.E. students have made it through CAT 2021, and they secured 10,958 final selections to 14 IIMs for which the results are publicly available. What does this mean?

A. A large number of students get final selections into more than one IIM. If you count the number of final selections secured by **T.I.M.E.** students in the 14 IIMs in 2021, it adds up to 10,958. However, this number was achieved by 2752 students! Do not get confused between 'calls' and 'selections'. 'Calls' is a term used to indicate short-lists for the GD/PI round. What really matters is the 'final selection' into the IIMs.

Q. What kind of salary can I expect on graduating from a top B-School?

- A. Salaries on campus depends on the academic performance (during MBA) and the candidate's profile. The salary figures of top-rung schools like IIM-A / IIM-B / IIM-C / IIM-L / XLRI / FMS / SP Jain, etc. can be in the range of Rs. 30 LPA to over 1 CPA.
- Even at around 80%ile (40,000 to 50,000 rank) one could get into an institute that would fetch a job offering of Rs.10-15 Lakhs per annum.
 - The most important thing to remember is that an MBA from a decent B-School would invariably lead to a spike in your earning potential. All you need to do is gain admission into the right B-School.

Q. What is the weightage given to the factors within a candidate's control i.e., CAT, GD, WAT & PI?

A. Most IIMs have at least 60% weightage assigned to the above parameters. Past Academics are not always as critical. Similarly, not having work experience should not be a cause of worry as a good chunk of students at the topmost B-Schools are freshers.

Is it better to first get work experience and then prepare for CAT?

Doing an MBA immediately after your graduation will be more valuable for your career growth.

Q. Is it really better to first get a few years of work experience and then prepare for CAT?

A. The answer is NO.

Sample a scenario: Tarun is an engineering student in the final year of college who has been selected by a leading IT firm in the country. He is really confused if he should attempt the CAT now or get two years of experience first, and then attempt it. Now consider the following:

	Work Exp. & then MBA		MBA & then Work Exp.	
Year 1	(+) ₹5 L	Pre MBA Salary	(-) ₹8 L	B-School Fee
Year 2	(+) ₹5.5 L*		(-) ₹8 L	
Year 3	(-) ₹8 L	B-School Fee	(+) ₹15 L	Post MBA Salary
Year 4	(-) ₹8 L		(+) ₹16.5 L*	
Total	(-) ₹5.50 L		(+) ₹15.5L	

*Assuming a 10% hike in salary

Assuming the fee of the college he would get into two years later does not go up, he is effectively choosing between making 10.5 lakhs in 2 years and then doing an MBA, or, doing an MBA first, and then making 31.5 lakhs in two years. Clearly, Tarun would have earned more if he went for an MBA first.

- The fee for the B-School has been assumed to remain the same. However, it is likely to go up with every passing year.
- For getting a promotion, his work experience as an MBA would be more relevant and valuable.
- If he wrote the CAT as a fresher and things did not go his way, he could always attempt it a second time.
- With a job, it would be difficult for him to start his preparation for an entrance test, as his job wouldn't leave him with much time.
- If he has prepared earlier, he can definitely find time to brush up his concepts but not otherwise.

- Most importantly, the amount of post-MBA learning that Tarun would have got on the job would be many times more than the learning that he would have got by working pre-MBA. To top this, the learning being of higher quality, it will be aligned to the kind of work that Tarun is expected to be doing, going forward in his career.

- If we look at the weightage given to work experience in the IIMs, it's not more than 10% for most of the IIMs. So, it's not as much of a difference as it is hyped up to be.

- Even during the placements at a B-School, the added incentive for every year of work-experience is not much in monetary terms.

Q. Is it necessary to choose MBA Specialization at the time of application itself?

- A. No, in most cases it is not required. Most management institutes offer General Management courses. In this kind of course, a student learns the basics of all functional areas, viz. Marketing, Finance, Human Resources, Systems and Operations, during the first year. In the second year, there is an option of choosing subjects depending on one's area of interest.

Q. What is the difference between MBA and PGPM/PGDM?

- A. When an institute is an autonomous body (meaning it is not affiliated to any university) and conducts management courses, then such an Institute cannot offer an MBA degree. Instead, it awards a Post-Graduate Diploma in Management (PGDM) or a Post-Graduate Diploma in Business Administration (PGDBA). Only universities (foreign or Indian) and the IIMs (under the IIM Act) can grant an MBA degree. MDI Gurgaon, SPJIMR Mumbai, XLRI, etc. offer a diploma.
- However, students are advised to bear in mind that the value of the management course pursued by them does not depend on whether it is a 'Degree' or a 'Diploma', rather, it depends on the reputation and standing of the institute that is offering the Degree or Diploma.

It was a really good experience at **T.I.M.E.**. They have supported me right from the start to converting all the IIMs. A special gratitude to all the faculty members, thank you for being my mentors. The teaching really changed me as a person, a more improvised version of myself. I got a good conceptual clarity. AIMCATs helped me prepare for the actual exam. They were tough but the analysis made it easy. The after stats of AIMCATs were so well structured and showed a true picture. I recommend people to take AIMCATs. Overall a very pleasing experience from **T.I.M.E.**. Thank you again for a great set of material, faculty & practice tests.

IIM Final Selections: IIM-A, B, I, Rai, Roh, Ka, Ud, Sam, Sir, Bg, J

I had enrolled myself for the classroom sessions at **T.I.M.E.**, which is a complete package right from the regular classes, doubt clarification sessions, mock exams, GD & PI preparation sessions & mock interviews. The material provided is very detailed & well structured, ensuring that the students have a high level of understanding. I found the mocks extremely helpful, with a number of sectional tests ranging from foundation, intermediate & advanced, ensuring a smooth transition from getting the basics right to improving speed and efficiency. The SAMCATs & AIMCATs along with text and video solutions available, helped strengthen my understanding & accustomed me to the CAT exam. The numerous mock interviews conducted by the institute plays a key role in familiarizing students for their interviews & to get rid of their anxiety. The faculty have years of experience in the field and offer extremely valuable inputs. **T.I.M.E.** institute has helped me achieve something which I thought was beyond my reach.

Rohit S

IIM Final Selections: IIM-A, C, I, S

The learning program and materials made it really straight forward to connect with the AIMCATs. I was able to make use of the mocks to great effect and achieve a good CAT percentile. For the interview phase, I got a lot of feedback from my mentors & multiple mock interviews to build my knowledge & confidence for the interviews. The direction I was given at **T.I.M.E.** helped me understand my abilities and work very well towards converting IIM-A.

IIM Final Selections: IIM - B, C, I, S, Rai, Ran, Ud

My experience at **T.I.M.E.** was very good, classes were helpful, especially in Quant. Doubt Sessions helped. AIMCATs were particularly useful. Modules covered various question types, AIMCATs were the best to evaluate oneself at a national level. Classes were regular & comprehensive. The WAT-PI booklet had some good tips which I applied in my essays. AIMCATs, SAMCATs & Sectional tests were by far the most useful service of the course. One can only know their preparation level by applying concepts in tests & examinations. AIMCATs had high quality questions which helped tackle the unpredictable nature of CAT.

Tejashree Murugan

IIM Final Selections: IIM-A, B

T.I.M.E. was an integral part of my CAT preparatory journey. Despite the chaos of college, placements, internships, & CAT prep, I was able to keep calm & balance my numerous commitments because of the flexibility of the program. Despite COVID striking in the middle of my preparatory course at **T.I.M.E.**, the shift to online classes was seamless and perhaps made things even more convenient for me. After I received my CAT percentile & calls from various IIMs, I was unsure of whether I should pursue them or not due to my lack of work experience. But the faculty from **T.I.M.E.** offered me guidance for my future, and painstakingly helped me prepare for my interviews. They had a lot of experience & were able to use it to help me figure out how best to represent my journey and my ambitions to an interview panel. I am deeply grateful to **T.I.M.E.** & all the excellent teachers I had.

IIM Final Selections: IIM-B, I, S, Rai, Roh, Ka, Ud, Sam, Sir, Bg, J

I am a student of **T.I.M.E.** for CAT 2021. I would like to thank **T.I.M.E.** for making the dreams of so many people come true including my brother's and mine. They just leave no stones unturned in your journey towards your dream colleges. In fact, the hybrid classes of **T.I.M.E.** is truly amazing. It helped us to clear our doubts instantly as well refer to the online videos later. I strongly feel that the Mock CATs provided by **T.I.M.E.** were of immense help during the preparation. CAT is all about strategies and **T.I.M.E.** helps you master them.

Siddharth Vikas Arora

IIM Final Selections: IIM-B, I, Rai, Roh, Ka, Ud, Sam, Sir, Bg, J

T.I.M.E. was very helpful in my preparation for the CAT exam. The LRDI & Quant classes focused on concepts that helped me massively in my preparation. The material & online tests were very thorough. To be more specific, the AIMCAT series was the most useful service to me provided by **T.I.M.E.**. It was like the actual CAT exam. These test series helped me to get exposed to different kinds of patterns & difficulty levels that prepared me for all kinds of strategies that could happen on the CAT day. Even the study booklets & workshops were helpful in clarifying my concepts. The AIMCATs, SAMCATs & the analysis benefitted me the most.

I am really grateful to **T.I.M.E.**, for assisting me in my journey. It was because of this experience & preparation that I was able to sail through the CAT & interviews smoothly & was able to make my dream college a reality. Thanks!

Tushar Kanti Mandal

IIM Final Selections: IIM-B, I, Rai, Ka, Ud, Sam, Sir, Bg, J

Hi this is Tushar. I was really without a direction, 6 months before CAT while also having a demanding job. That is when I decided to join **T.I.M.E.** to realize my dream of studying at the premier IIMs. The faculty is good, equally in all subjects. They are always encouraging & easily approachable. The course material is sufficient in itself, the CV/GD/PI preparation is really focused & improves chances of conversion drastically, the one-one mock interview is a game changer. I was able to get admission offers & I am finally studying in my dream college, IIM Bangalore thanks to **T.I.M.E.**
